

GLADSTONE HOTEL

Position: Event Server

Start: ASAP

Be a Part of Our Unique Vision!

The Gladstone Hotel has enlivened the cultural landscape of Toronto through its arts, music, design, food, drink and event programming since 2003. The Hotel revolutionized the Toronto boutique hotel market by offering the unique “artist designed hotel room” concept, and became a world leader in this tradition.

We are currently seeking individuals who have a strong desire to be part of an exceptional work experience and milieu. This opportunity, to uphold our mission of consummate professionalism within the Gladstone’s authentic, community-focused environment, requires staff that will deliver above and beyond average standards. We want our guests to ‘feel like a local’ in our inclusive artist-driven philosophy. We need a team player to confidently be a part of the Gladstone’s rich offerings of artist designed rooms, locally sourced products, and art and event programming.

Attributes

- A desire to deliver above and beyond service to Gladstone event guests
- Professional, clean and organized
- Excited about local and sustainable food practice, willing to learn and master event menus
- Describes oneself as a team player, with a desire to constantly improve and elevate others
- An independent thinker, can problem solve in the moment but also knows when to ask for assistance from team mates or manager
- Professional and organized, ability to keep their working spaces as such

Requirements

- Smart Serve Certified
- Must have a basic knowledge of event service procedures and functions
- Able to work in a standing position for long periods of time
- Able to safely lift and easily maneuver trays of food frequently weighing up to 20 to 25 pounds.
- At least 1 year experience in a similar working environment
- Must be available for various shifts including evenings, weekends and statutory holidays
